

I recently received a letter from K-LOVE radio that disturbed me very much. It was in regards to expansion of LPFM, which would force FM translators off the air. Since K-LOVE is often heard on the translators, this is what bothers me. K-LOVE is a very important part of the community--not just mine but nationwide. It is, as far as I can tell, the only radio station that young people can listen to that has a positive, uplifting, non-violent message. It would be a mistake to take that away by displacing K-LOVE with an LPFM broadcaster providing other programming. There's already so much trash on the air that we really NEED K-LOVE!
